

Sales, inventory, projects and books. One system. Everything adds up.

We implement Odoo for growing US companies — service firms, distributors and manufacturers. Fixed-price phases, your accountant in the loop, and a founder on every project.

How we work

STEP	WHAT YOU GET	TIME	PRICE
1. Fit call	An honest answer: is Odoo right for you?	30 minutes	Free
2. Blueprint	Process map, baseline metrics, scope, fixed project price	1–3 weeks	Fixed, credited to the project
3. Build	Configuration in phases, a demo every week	1–3 months (services), 2–6 months (inventory & manufacturing)	Fixed per phase
4. Go-live	Launch, team training, 30 days of hypercare	30 days	Included
5. Keep	Managed Odoo: support, updates, improvements	Monthly	Retainer

Clear prices, before you commit

Launch · Services

Service companies

from \$9,500

CRM · Projects · Timesheets ·
Accounting · Contractors ·
QuickBooks migration

Launch · Products

Distribution & e-commerce

from \$15,000

Sales · Purchasing · Inventory ·
Barcode · Accounting ·
Storefront connection

Launch · Make

Light manufacturing

from \$25,000

Everything in Products · Bills of
materials · Work orders · Unit
costs

Blueprint \$1,500, credited to the project · Keep from \$750/month · Odoo licenses are billed separately by Odoo.

Our promises, in writing

- ✓ Fixed price per phase. If we underestimate, that's on us.
- ✓ Stop after any phase. You pay only for what's delivered.
- ✓ Your code, your data, full documentation. No lock-in.
- ✓ Your Blueprint fee is credited toward the project.
- ✓ 30 days of hypercare after go-live.
- ✓ 90 days after go-live, we measure results against your Blueprint numbers.

Two founders, on your project: Alex Kovac and Elena Sorel. **Book a 30-minute fit call:** evenmont.com/book
